RELEVANT EXPERIENCE

RETECHNIC, UNITED STATES

Senior Web Designer | 2016 - 2018

Developed and designed user-friendly interfaces for web-driven email and other online programs. Created logos and icons using Photoshop.

EZILINE, UNITED STATES

Web Designer | 2014 - 2016

Validated complete sites, including testing of code and debugging. Designed large-scale web applications, portals, and websites. Worked with different clients and designed sites according to their needs.

EDUCATION

GEORGIA INSTITUTE OF TECHNOLOGY

M.A. in Information Technology | 2012 - 2014

My thesis earned distinction and I was the only one to achieve it in that batch.

MASSACHUSETTS INSTITUTE OF TECHNOLOGY

Bachelor of Computer Science | 2008-2012

My end of the term project helped me earn a gold medal. My CGPA remained above 3.5 throughout all semesters.
